

Experience Mid-Autumn Festival at IPC Shopping Centre's Garden of Harmony

Meet Yang the Dragon and Yin the Phoenix in an extensive balloon garden display!

Petaling Jaya, 12 September 2018 – Lo and behold, IPC Shopping Centre's one of kind balloon installation is back to celebrate the Mid-Autumn Festival! From 21 – 30 September, shoppers will be amazed to find IPC Shopping Centre's Atrium (Level G) has transformed into an amazing garden installation made out of almost 40,000 qualatex balloons! The balloons are earth friendly, made from 100% natural biodegradable latex.

“Based on the success of our previous 2 balloon installations, we are certain that IPC's Garden of Harmony, alongside the celebration of Mid-Autumn Festival, is able to bring the same abundance of excitement for the whole family that our shoppers are accustomed to. They will be delighted to catch a glimpse of Yang the Dragon up in the air. Being almost 50 feet long, he will definitely be hard to miss! Yin the 9ft tall Phoenix can also be found in the garden, so keep a look out!” said Ms. Karyn Lim, General Manager of IPC Shopping Centre.

“We're working with Malaysian Balloon Master Joseph Ho for the 3rd time. However, this time around he will be teaming up with Taiwan's 'Godfather of Balloons' Ho Kun-Lang. They have worked together before and won a gold medal at the 5th World Balloon Convention in San Diego, California early this year. We are certainly excited to see IPC's Garden of Harmony come to life with the help of the dynamic duo, and this would an inaugural showcase of Ho Kun-Lang in Malaysia” she added.

Fun Happenings For The Whole Family

During the celebration, shoppers can bring their little ones to meet Moon the Rabbit as he does his walkabout in IPC Shopping Centre giving out Mid-Autumn treats. Don't hesitate to snap a photo or two with him!

In addition, there will also be Chinese Orchestra performances to encapsulate the atmosphere of the festival.

Mid-Autumn celebration aside, September is also the month where we celebrate Malaysia Day. If you drop by IPC to check out our Garden of Harmony and just so happen to be wearing a Malaysian themed outfit, spare a minute to take an OOTD anywhere in the Centre. Why? Because then you would be in the running to win RM500 worth of shopping vouchers and goodies bags! Post the OOTD together with a creative caption and don't forget to include the hashtag #MyIPCMalaysiaDaySlay.

About IPC Shopping Centre:

Malaysia's first shopping centre anchored by IKEA, and the first of many shopping centres in IKEA Southeast Asia's portfolio in the region. A sub regional Shopping Centre strategically located in the heart of a mixed development of offices, hotel, commercial centres & residential, it serves as the neighbourhood shopping destination for the community, complementing the shopping hub in the district known as Mutiara Damansara Commercial Centre. We opened our doors in December 2003 and today we welcome an average visitation of 15 million visitors per year to our Centre.

Ikano Corporation Sdn Bhd (457554-H)
